SUPPORTING A THRIVING COMMUNITY

## Koats for Kids Drive

This annual drive is a critical event for Otero County. This past year over 600 coats were collected & distributed to children in need.

## Day of Caring

For 26 years our organization has been giving back to the community through this annual event. The Day of Caring brings out 500+ volunteers to help residents within our community that truly do not have the resources to help themselves, physically or financially. Volunteers perform many tasks such as yard work, painting, cleaning & light construction.
