Congratulations!

Welcome
to First National Bank,
an organization that
cares about our
community in many
ways including through
Thrive in Southern
New Mexico.

Welcome! We are happy to have you here and look forward to a long, productive time together.

As you begin to learn your new role, you will discover our company culture and values. We are very proud to be part of this community, and one of the ways we express our commitment is through contributions to Thrive in Southern New Mexico. Thrive partners with organizations in our community which focus on building stronger and more stable futures for all of us. By supporting Thrive, you help provide funding to programs throughout Otero & Lincoln Counties. As a new team member, I hope that you will consider joining your colleagues with a contribution through payroll deduction on the enclosed pledge card. Contributing is a personal decision, but we want you to know how important Thrive in Southern New Mexico is to us and our community.

Thank you for considering giving to Thrive and again, Welcome!

**Please Complete & Return
your pledge form today.**

Thank You!
