UWOC Programs & Events

Koats for Kids Drive

This annual drive is a critical event for Otero County. This past year over 400 coats were collected and distributed along with hats, glove and scarves to those in need.

Day of Caring

For nearly 25 years the UWOC has been giving back to the community through this annual event. The Day of Caring brings out over 500 volunteers to help residents within our community that truly do not have the resources to help themselves - physically or financially. Volunteers perform many tasks such as yard work, painting, cleaning and light construction.

211 *(working to establish)*

211 is a national information and referral phone number that helps people find the help they desperately need. From social services, to childcare, mental health issues, hunger and much more. As we establish this program in Otero and Lincoln counties our communities will be stronger for it.
